KEEPERS OF THE CREAM SINCE 1890

The ongoing increases imposed on us by our suppliers, citing numerous reasons including rising animal feed, packaging and milk prices together with energy and wage costs. It is necessary to pass some of these incurred onto our customers.

A E Rodda & Son have where possible, resisted these increases and worked hard with our suppliers on your behalf to minimise the impact.

# Rodda's CORNISH MILK

Our delicious Cornish milk from Cornish cows has had a label refresh! Celebrating our iconic blue milkmaid, she takes centre stage against a stand-out backdrop for every kind of milk. Our semi skimmed milk lids have also now changed to clear across all our milk sizes, much like many supermarkets, to make them easier to recycle.

As a B Corporation business, we're striving to make small changes.
